Any special allocations of items of income or gain pursuant to this subparagraph will be taken into account in computing subsequent allocations of profits and loss so that the net amount of any items so allocated, to the extent possible, will be equal to the net amount that would have been allocated to each Member pursuant to the provisions of this Section 5.2 if such unexpected adjustments, allocations or distributions had not occurred. The provisions of this Section 5.2(d) will not affect the allocation to any Member who acquires his Interests subsequent to the special allocation required by this Section 5.2(d).

8.4 **Confidentiality.** Each Member shall (a) protect the financial, commercial and proprietary information of the Company and Members ("**Confidential Information**") by using the same degree of care as the Member uses to protect its own confidential information of a like nature; and (b) not use any Confidential Information other than in connection with the rights and obligations hereunder.

8.5 Action of Members Without a Meeting.

(a) Any action required by the Texas Business Organizations Code to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of Members, may be taken without a meeting, without prior notice, and without a vote, if a consent or consents in writing, setting forth the action so taken, shall have been signed by the holder or holders of the Membership Interests of either:

(i) all those entitled to vote with respect to the action that is the subject of the consent; or
(ii) the minimum number of votes that would be necessary to take such action at a meeting at which holders of all of the Membership Interests entitled to vote on the action were present and voted.

(b) Every written consent signed by the holders of less than all the Membership Interests entitled to vote with respect to the action that is the subject of the consent shall bear the date of signature of each shareholder who signs the consent.

(c) A telegram, telex, cablegram, or other electronic transmission by a Member consenting to an action to be taken is considered to be written, signed, and dated for the purposes of this section if the transmission sets forth or is delivered with information from which the Company can determine that the transmission was transmitted by the Member and the date on which the Member transmitted the transmission. The date of transmission is the date on which the consent was signed.

(d) Any photographic, photostatic, facsimile, or similarly reliable reproduction of a consent in writing signed by a Member may be substituted or used instead of the original writing for any purpose for which the original writing could be used.

(e) Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

8.6 **Expulsion.** A Member may be expelled from the Company by eighty-five percent (85%) of the Membership Interests (not including the Member to be expelled) if that Member (a) has willfully violated any provision of this Agreement; or (b) engaged in wrongful conduct that adversely and materially affects the business or operation of the Company. Such a Member shall be considered a Defaulting Member, and the Company or other Members may also exercise any one or more of the remedies provided for in Section 8.6 of this Article 8. The Company may offset any damages to the Company or its Members occasioned by the misconduct of the expelled Member against any amounts distributable or otherwise payable by the Company to the expelled Member.

ARTICLE 9

TRANSFER OF INTERESTS

9.1 **Restrictions on Transfer.** No Member will sell, assign, transfer, pledge, hypothecate, mortgage, encumber or dispose of (a "**Transfer**") all or any portion of a Member's Interests except in compliance with the terms of this Article 9. Any attempted Transfer in violation of this Article 9 will be null and void.

9.2 **Permitted Transfers.** The Membership Interests of the Members may be Transferred only with the prior written consent of all Members.

9.3 **Restrictions Continue.** Any Membership Interest which is Transferred by agreement of the Members; by involuntary Transfer in the event of failure to exercise a purchase option; by, reorganization, liquidation or dissolution; or for any other reason; shall continue to be fully subject to all the terms of this Agreement to the same extent as if the new owner of such Interest had been an original Member party to this Agreement.

9.4 **Buy-Sell Agreement.** In the event of the death or disability of a member, withdrawal or Bankruptcy or in the event of a disagreement, any Member or the heirs of such Member (the "**Initiating Member**") may purchase the Membership Interest of any other Member or the heirs of such Member (the "**Responding Member**") or sell the Membership Interest to the Responding Member upon the following terms:

(a) The Initiating Member shall notify the Responding Member in writing of the Initiating Member's offer to purchase the Interest of the Responding Member or to sell such Initiating Member's Interest to the Responding Member (the "Option Price").

(b) Within sixty (60) days after the receipt of such offer, the Responding Member shall deliver to the Initiating Member, written notification of either:

(i) such Responding Member's agreement to sell the Responding Member's Interest at the Option Price applicable to the Responding Member; or

(ii) such Responding Member's election to purchase the entire Interest of the Initiating Member at the Option Price applicable to the Initiating Member.

Failure by the Responding Member to respond within sixty (**60**) days shall be deemed to be an election to proceed under (b)(i) above.

9.5 Third Party Offer. In the event a Member (the "**Selling Member**") desires to sell all or any portion of such Member's Membership Interest to a Person or entity other than an existing Member the Selling Member shall first offer the Membership Interest to the other Members on the terms set out below:

(a) Upon receipt of the terms of a third party offer to purchase such Membership Interest which is acceptable to the Selling Member (the "**Third Party Offer**") the Selling Member shall promptly deliver a copy of the Third Party Offer to all other Members and shall thereafter promptly disclose all pertinent information with regard to the offer which the other Members may reasonably request. For the purpose of this Article, if the written offer contains provisions relating to the purchase and sale of items other than the Membership Interest, the Third-Party Offer shall be deemed to relate to only those terms and conditions set out in the written offer, which relate to the Membership Interest. The date that all of the Members receive notice of the Selling Member's intent to sell his Membership Interest is the "Notification Date".

(b) Each Member who is to receive the copy of the Third Party Offer made to the Selling Member will have thirty (**30**) days from the Notification Date in which to notify the Selling Member in writing of his intention to purchase all (but not less than all) of the Selling Member's Membership Interest for the amount and on the terms and conditions set out in the Third Party Offer. If more than one of the Members (the "**Electing Members**") elect to purchase the Selling Member's Membership Interest, each Electing Member shall purchase the part of the Selling Member's Membership Interest that is proportional to the Electing Member's Membership Interest divided by the aggregate Membership Interest of all Electing Members. If none of the Members elect to purchase the Membership Interest of the Selling Member within thirty (**30**) days from the Notification Date, the Selling Member may then sell his Membership Interest to the Third Party on the terms and conditions of the Third-Party Offer.

(c) If one or more of the Electing Members elect to purchase the Membership Interest, then, accept as set out below, the Closing shall be on or before that date which is the later of: (i) thirty (**30**) days after the Notification Date, or (ii) the date set out for closing under the terms of the Third Party Offer, and the purchase price must be paid on the same terms and conditions as are set out in the Third Party Offer.

(d) At the Closing, the Selling Member will transfer the Membership Interest to be sold to the Electing Members, free and clear of any liens or encumbrances (other than any encumbrances to be taken subject to or assumed under the terms of the Third-Party Offer). If the sale to the Third Party is not closed within 180 days following the Notification Date, the Membership Interest to be sold shall first be re-offered to the other Members as described in this Section.

(e) A person who purchases a Membership Interest in the Company under this Section (other than an existing Member) shall only be entitled to the right of an Assignee until admitted to

the Company as a Substitute Member as provided in this Agreement.

9.6 Right to Purchase Upon Divorce. If, as a result of divorce, a Membership Interest is awarded to or becomes owned by a Member's Spouse (the "**Divorced Spouse Interest**") the Member who was divorced will have the right to purchase the Divorced Spouse Interest for its Fair Value determined as of the date of divorce decree. Such right may be exercised by the Member who was divorced giving, to: (i) the Member's former spouse and (ii) each of the other Members, notice of a desire to purchase all or a portion of such Divorced Spouse Interest within two months after the date of the divorce decree or judgment (the "**Initial Notice**"). If, after the delivery of the Initial Notice, the Member who was divorced has not given notice to purchase all or a portion of such Divorced Spouse Interest or has given notice of purchasing only a portion of the Divorced Spouse Interest, the other Members will have the right to purchase all or the remaining portion of the Divorced Spouse Interest for its Fair Value determined as of the date of the divorce decree. Such right by the other Members may be exercised by the other Members giving, to: (i) the Member's former spouse and (ii) the Member who was divorced (the "**Other Member's Notice**"), notice of a desire to purchase all or a portion of such Divorced Spouse Interest within two (additional) months after the date of the "Other Member's Notice". If a Member provides the Other Member's Notice to purchase all or any portion of the Divorced Spouse Interest, within two months following the date of the Other Member's Notice, the Company shall cause the Fair Value of the Divorce Spouse Interest to be determined as of the Divorce Decree. If there is more than one Member who desires to exercise such right (each, a "**Purchasing Member**"), the Divorced Spouse Interest will be allocated among all Purchasing Members as follows: First, a portion of the Divorced Spouse Interest will be allocated to each Purchasing Member to the extent of the lesser of: (i) the Purchasing Member's pro rata portion (based on the number of Units owned by such Purchasing Member relative to the number of Units of all Purchasing Members) of the Divorced Spouse Interest and (ii) the portion of the Divorced Spouse Interest that such Purchasing Member expressed a desire to purchase in such notice. If, after such allocation, any portion of the Divorced Spouses Interest has not been allocated to the Purchasing Members, a similar allocation will be made of the remaining Divorced Spouse Interest among the Purchasing Members who have not been allocated the full portion of the Divorced Spouse Interest which such Purchasing Members expressed a desire to purchase in their respective notices. Such procedure will be continued until all of the Divorced Spouse Interest has been fully allocated, if possible. The spouse of each Member executes this Agreement solely for the purpose of agreeing to this Section 9.6.

9.7 Fair Market Value Determination. In the event the Fair Value of a Membership Interest is to be determined under the terms of Section 9.6 of this Agreement and the parties cannot agree on the fair the Fair Market Value, then the Managing Members shall cause the Company to select a professional to evaluate and determine the Fair Market Value, including potential future earnings of the Company. The Company will make its books and records available for such evaluation and will otherwise cooperate and cause its employees to cooperate with such evaluation. The Company will pay the fees and expenses associated with the evaluation. The Managing Members will cause the professional to be selected in a timely manner. The determination of Fair Market Value, made by such professional will be final, conclusive, and binding on the Company, all Members, and all Assignees of a Membership Interest. Upon receipt of the determination of the Fair Market Value, the Company shall

cause the report or reports developed by the professional to be distributed to the Members as soon as reasonably possible thereafter.

9.8 **Disabled Member.** A Member is a “Disabled Member” if any one of the following apply: (a) a Member is subject to a legal decree of incompetency (the date of such decree being deemed to be the date on which such disability occurred); (b) a Member submits any claim for disability insurance benefits on account of more than fifty percent (**50%**) disability (the date of the earliest of such claims shall be the date on which such disability shall be deemed to have occurred); or (c) a Member is subject to a medical determination that the Member, because of a medically determinable disease, injury, or other mental or physical disability, is unable to perform substantially all of the Member’s regular duties, and that such disability is determined or reasonably expected to last at least twelve (**12**) months, based on then available medical information. A medical determination of disability will exist upon the receipt by the Company of the written opinion of a physician who has examined the Member whose disability is in question.

9.9 **Remedy.** It is expressly agreed that the remedy at law for breach of any of the obligations set forth in this Article 9 is inadequate in view of: (a) the complexities and uncertainties in measuring the actual damages that would be sustained by reason of the failure of a Member to comply fully with each of said obligations; and (b) the uniqueness of the Company’s business and Members’ relationship. Accordingly, each of the aforesaid obligations shall be, and are expressly made, enforceable by specific performance.

9.10 **Assignee Not a Member.** The assignee of a Membership Interest, whether pursuant to this Agreement or operation of law, shall not become a Member of the Company unless and until admitted as a Member pursuant to the provisions of Section 9.2.

9.11 **Non-Complying Assignment is Void.** Any attempted assignment of a Membership Interest that does not fully comply with the terms and provisions of this Agreement, particularly this Section 9.2, shall be void and of no legal or binding effect.

9.12 **Closing.** Upon the exercise by any Member of any right to purchase a Membership Interest pursuant to the provisions of this Article 9, the closing (“Closing”) of any such purchase shall occur at the principal office of the Company within the time period prescribed for the payment, as set for in this Article 9. At the Closing:

(a) Each Member or former spouse of a Member selling or required to sell a Membership Interest (in any case hereinafter called “Seller”) shall assign to each Member purchasing or required to purchase such Membership Interest, or such Member’s designee(s) (in any case hereinafter called “Purchaser”) Seller’s Membership Interest in accordance with the instructions of Purchaser and shall execute and deliver to Purchaser all documents which may be required to give effect to the sale of the Membership Interest free and clear of all liens, claims and encumbrances, with covenants of general warranty.

(b) Purchaser shall deliver to Seller the purchase price in cash or certified bank cashier’s check and such other releases and indemnifications as may be required by the preceding

paragraphs and as may be reasonably requested by Seller.

(c) The Purchasing Member in addition to paying at the closing the applicable purchase price shall be obligated to loan to the Company an amount sufficient to discharge at the closing all outstanding and unpaid obligations of the Company to the Seller as of such time.

(d) Seller shall also execute such resignations and other documents as may be reasonably required by counsel for the Company to accomplish the withdrawal of the Seller as a Member of the Company and the Purchaser shall assume all of the Seller's obligations to the Company under any loans to the Company permitted by this Agreement, such assumptions to be in form reasonably satisfactory to counsel for the Seller. If the Purchaser is unable to remove the Seller's guarantees (if any) from any Company obligation prior to closing, the Purchaser shall execute an indemnification agreement in favor of the Seller for such guaranteed amounts in such form as is reasonably requested by the Seller. Thereafter, the Purchaser shall use reasonable efforts to remove any and all such the Seller guarantees.

ARTICLE 10 DISSOLUTION

10.1 Events of Dissolution. Each of the following will be an "Event of Dissolution" causing the Company to dissolve:

(a) The approval of a plan of dissolution by: (i) a majority of the Membership Interests and (ii) the affirmative vote of the holders of a majority of the Preferred Interests then outstanding; or

(b) The sale of all or substantially all the assets of the Company and distribution of the proceeds to the Members; or

(c) The death, withdrawal, Bankruptcy or dissolution of a Member.

The Liquidator will have all of the rights in connection with the liquidation and termination of the Company that that the Manager would have had with respect to the assets and liabilities of the Company during the term of the Company, and the Liquidator is hereby expressly authorized and empowered to effectuate the liquidation and termination of the Company and the transfer of any assets and liabilities of the Company. The Liquidator will have the right from time to time, by revocable powers of attorney, to delegate to one or more persons any or all of such rights and powers and the authority and power to execute documents in connection therewith, and to fix the reasonable compensation of each such person, which compensation will be charged as an expense of liquidation. The Liquidator is also expressly authorized to distribute the Company's property to the Members, subject to satisfaction of any liens. This Agreement will remain in full force and

effect during the period of winding up, except that the Members will not have the right to make withdrawals of capital or additional capital contributions or to retire from the Company.

(ii) to the payment of the Net Profits Allocation to the Manager.

(iii) thereafter, to Members in the priorities set forth in Section 5.3(e).

(c) If distributions are insufficient to return any Member the full amount of such Member's Capital Contributions, such Members will have no recourse against any other Member. No Member will have any obligation to restore, or otherwise pay to the Company, any other Member, or any third party, the amount of any deficit balance in such Member's Capital Account upon dissolution and liquidation. Following the completion of the winding up of the affairs of the Company and the distribution of its assets, the Company will be deemed terminated and the Liquidator will file a certificate of cancellation in the Secretary of State of the State of Texas as required by the Code.

(d) Each Member will be furnished with a statement prepared by the Liquidator which will set forth the assets and liabilities of the Company as at the date of complete liquidation, and each Member's share thereof. Upon completion of the liquidation, each Member will cease to be a Member of the Company.
