**Subject:** CHAMPION HEAVENS SUBDIVISION UPDATES

Salam Alaikum, Thank Allah that CenterPoint have started delivering electrical materials that they are going to use for installation, this week. They hope to finish delivering by next week and will start work to install the electrical parts to connect to each of the houses. I don't know how long it will take. After them, the CenterPoint gas department will start their installations of meters and the cable company will follow. We hope all these could be done by end of January by the grace of God. So let us hope to put all Closings for Earlier February 2024.
